(6) The Board plans to fund reserves to repair or replace major components through assessments.

NOTE: The financial representations set forth in this summary are based on the best estimates of the preparer at that time. The estimates are subject to change. At the time this summary was prepared, the assumed long-term before-tax interest rate earned on reserved funds was 2.00 percent per year, and the assumed long-term inflation rate to be applied to major component repair and replacement costs was 4.00 percent per year.

ASSOCIATION COLLECTION POLICY STATEMENT
PURSUANT TO CIVIL CODE SECTION 5730

"NOTICE ASSESSMENTS AND FORECLOSURE

This notice outlines some of the rights and responsibilities of owners of property in common interest developments and the associations that manage them. Please refer to the sections of the Civil Code indicated for further information. A portion of the information in this notice applies only to liens recorded on or after January 1, 2003. You may wish to consult a lawyer if you dispute an assessment.

ASSESSMENTS AND FORECLOSURE

Assessments become delinquent 15 days after they are due, unless the governing documents provide for a longer time. The failure to pay association assessments may result in the loss of an owner's property through foreclosure. Foreclosure may occur either as a result of a court action, known as judicial foreclosure, or without court action, often referred to as nonjudicial foreclosure. For liens recorded on and after January 1, 2006, an association may not use judicial or nonjudicial foreclosure to enforce that lien if the amount of the delinquent assessments or dues, exclusive of any accelerated assessments, late charges, fees, attorney's fees, interest, and costs of collection, is less than one thousand eight hundred dollars ($1,800). For delinquent assessments or dues in excess of one thousand eight hundred dollars ($1,800) or more than 12 months delinquent, an association may use judicial or nonjudicial foreclosure subject to the conditions set forth in Article 3 (commencing with Section 5700) of Chapter 8 of Part 5 of Division 4 of the Civil Code. When using judicial or nonjudicial foreclosure, the association records a lien on the owner's property. The owner's property may be sold to satisfy the lien if the amounts secured by the lien are not paid. (Sections 5700 through 5720 of the Civil Code, inclusive)

In a judicial or nonjudicial foreclosure, the association may recover assessments, reasonable costs of collection, reasonable attorney's fees, late charges, and interest. The association may not use nonjudicial foreclosure to collect fines or penalties, except for costs to repair common area damaged by a member or a member's guests, if the governing documents provide for this. (Section 5725 of the Civil Code)

The association must comply with the requirements of Article 2 (commencing with Section 5650) of Chapter 8 of Part 5 of Division 4 of the Civil Code when collecting delinquent assessments. If the association fails to follow these requirements, it may not record a lien on the owner's property until it has satisfied those requirements. Any additional costs that result from satisfying the requirements are the responsibility of the association. (Section 5675 of the Civil Code)

At least 30 days prior to recording a lien on an owner's separate interest, the association must provide the owner of record with certain documents by certified mail, including a description of its collection and lien enforcement procedures and the method of calculating the amount. It must also provide

an itemized statement of the charges owed by the owner. An owner has a right to review the association's records to verify the debt. (Section 5660 of the Civil Code)

If a lien is recorded against an owner's property in error, the person who recorded the lien is required to record a lien release within 21 days, and to provide an owner certain documents in this regard. (Section 5685 of the Civil Code)

The collection practices of the association may be governed by state and federal laws regarding fair debt collection. Penalties can be imposed for debt collection practices that violate these laws.

PAYMENTS

When an owner makes a payment, the owner may request a receipt, and the association is required to provide it. On the receipt, the association must indicate the date of payment and the person who received it. The association must inform owners of a mailing address for overnight payments. (Section 5655 of the Civil Code)

An owner may, but is not obligated to, pay under protest any disputed charge or sum levied by the association, including, but not limited to, an assessment, fine, penalty, late fee, collection cost, or monetary penalty imposed as a disciplinary measure, and by so doing, specifically reserve the right to contest the disputed charge or sum in court or otherwise.

An owner may dispute an assessment debt by submitting a written request for dispute resolution to the association as set forth in Article 2 (commencing with Section 5900) of Chapter 10 of Part 5 of Division 4 of the Civil Code. In addition, an association may not initiate a foreclosure without participating in alternative dispute resolution with a neutral third party as set forth in Article 3 (commencing with Section 5925) of Chapter 10 of Part 5 of Division 4 of the Civil Code, if so requested by the owner. Binding arbitration shall not be available if the association intends to initiate a judicial foreclosure.

An owner is not liable for charges, interest, and costs of collection, if it is established that the assessment was paid properly on time. (Section 5685 of the Civil Code)

MEETINGS AND PAYMENT PLANS

An owner of a separate interest that is not a time-share interest may request the association to consider a payment plan to satisfy a delinquent assessment. The association must inform owners of the standards for payment plans, if any exists. (Section 5665 of the Civil Code)

The board must meet with an owner who makes a proper written request for a meeting to discuss a payment plan when the owner has received a notice of a delinquent assessment. These payment plans must conform with the payment plan standards of the association, if they exist. (Section 5665 of the Civil Code).

Exhibit 6

CASA DE ANZA HOMEOWNERS ASSOCIATION
DELINQUENT ASSESSMENT COLLECTION POLICY STATEMENT

Prompt payment of assessments by all owners is critical to the financial health of the Association and to the enhancement of the property values of your homes. Your Board of Directors takes very seriously its obligation under the Declaration of Covenants, Conditions, and Restrictions (CC&Rs) and the California Civil Code to enforce the members' obligation to pay assessments. The policies and practices outlined shall remain in effect until such time as they may be changed, modified, or amended by a duly adopted resolution of the Board of Directors. Therefore, pursuant to the CC&Rs and Civil Code Section 5310(a)(7), the following are the Association's assessment practices and policies:

1. Regular assessments and any special assessments are due on the first (1st) day of each assessment period and delinquent if not received, in full, by the Association within fifteen (15) days after the due date thereof. Once an assessment becomes delinquent, the association is entitled by both the Davis-Stirling act & the governing documents to recover the following sums:

A. The amount of the delinquent assessment

B. Reasonable costs incurred to collect the assessment (including reasonable attorney fees)

C. A late charge not exceeding 10 percent of the amount of the delinquent assessment or $10.00, whichever is greater.

D. Interest on all sums (assessments, costs, late charges, and legal fee) at a rate not to exceed 12 percent per annum. Interest begins to accrue from and after the time the delinquent assessment is 30 days past due.

2. A courtesy billing statement is sent each month to the billing address on record. However, it is the owner of record's responsibility to pay each assessment in full each month regardless of whether a statement is received.

3. All payments received by the Association, regardless of the amount paid, will be directed to the oldest assessment balances first, until which time all assessment balances are paid, and then to late charges, interest and costs of collection unless otherwise specified by written agreement.

4. If all such amounts have not been received ninety (90) days after the original due date thereof, the account may be forwarded to a collection agency or at a later date as determined by the Board, and all resulting collection fees and costs will be added to the total delinquent amount.

5. If all such amounts have not been received, in full, within thirty (30) days after the recordation of such Lien and the delinquent assessment exclusive of any accelerated assessments, late charges, attorney's fees, fees, interest and costs of collection that equals or exceeds Eighteen Hundred Dollars ($1,800.00) and/or the delinquent assessment is more than Twelve (12) months delinquent, the Association may, without further advance notice, proceed to take any and all additional enforcement remedies as the Association, in its sole discretion, deems appropriate, including, without limitation, non-judicial foreclosure of such Lien, judicial foreclosure, or suit for money damages, all at the expense of the property owner(s). However, the Association has the right at all times to attempt to collect any delinquent regular or special assessment, which equal or exceeds Eighteen Hundred Dollars ($1,800.00) and/or the delinquent assessment is less than Twelve (12) months, including accelerated assessments, late charge, attorney's fees, fees, interest and costs of collection by any manner provided by law (including a civil lawsuit) except for judicial and non-judicial foreclosure.

6. The Association shall collect a "returned check charge" of twenty-five dollars ($25.00) for all payments returned as "non-negotiable," "insufficient funds" or any other reason.

7. The mailing address for overnight payment of assessments is 1935 Dry Creek Rd, Suite 203, Campbell, CA 95008.

8. Any owner who is unable to pay assessments is entitled to make a written request for a payment plan to the Board of Directors. The Board will consider the requests on a case-by-case basis and is under no obligation to grant payment plan requests.

EXHIBIT 7

CASA DE ANZA ASSOCIATION
Governing Document Enforcement Policy

The Enforcement Policy was proposed, reviewed, and approved by the Board of Directors on August 14, 2018. It sets forth Casa De Anza Association practices for imposing sanctions for violations of the Association's governing documents and rules.

Violations Notices

Except where a particular situation warrants otherwise, the Board follows the following notice procedures to deal with alleged violations.

- A first violation notice letter from the Association's management company, advising of the violation with a reasonable deadline for correction or compliance.
- A second violation notice letter from the Association's management company, advising of the Association's remedies to enforce the governing documents with a shorter deadline for correction or compliance.
- After the second notice, the Board may notify the owner in violation with a third notice, to attend a hearings meeting, advising of the day, time, and location to discuss and resolve the matter. The Board's decision is final.
- After the hearings meeting notice, the violation may be referred to the Association's counsel without further notice to the member and/or be subject to sanctions by the Board.
- In the case the violation does pose a threat of bodily harm or property damage the matter may be referred to the Association's counsel without any advance notice to the member and/or be subject to sanctions by the Board.

Association Remedies

Reimbursement Assessments & Fines

The Association may impose Reimbursement Assessments and or Fines against its Members for failure to comply with the Association's governing documents or who become liable for other obligations or indebtedness to the Association.

Notice and Hearing

Before imposing a Fine or Reimbursement Assessment, suspending rights and privileges of a member, the Board of Directors shall notify the member in writing at least 10 days in advance of the date of the meeting. The Board will consider sanctions, informing the member of his or her rights to attend that meeting and to address the Board. If the Board determines to impose a fine or other penalty, the Board shall notify the sanctioned member of the Board's decision within 15 days thereafter. The Board's sanction shall be effective immediately.

Neighbor-to-Neighbor Disputes

Owners are responsible for resolving their neighbor-to-neighbor disputes amongst themselves. The Association generally does not get involved in neighbor-to-neighbor disputes. In the rare instance that the Association does get involved, homeowners are asked to first talk to their neighbors directly. The first point of the contact should always be between neighbors.

Fine Schedule

Violations

• First Violation:	$75
• For continuing violations:	
• Uncured after 30 days	$100
• Uncured after 60 days	$200
• Uncured after 90 days and 30-day period thereafter	$400

A fine may be only imposed after the violating member is given at least 10 days written notice of the meeting at which the board will consider sanctioning the member and of the member's right to address the board at that meeting. The violating member shall be given notice of the Board's decision within 15 days thereafter. A fine may be only imposed for uncured violations, without the board holding another hearings meeting, after the violating member was given notice of the Board's initial decision to continue fines for the uncured violation within 15 days thereafter of the initial hearing.

Exhibit 8

Dispute Resolution

Civil Code Section 5905 requires associations to provide a fair, reasonable and expeditious procedure for resolving disputes. The procedure provided by the **Casa De Anza Association** is pursuant to Civil Code Section 5915 which is deemed by statute to be a fair, reasonable, and expeditious dispute resolution procedure. The procedure applies to disputes between the association and a member involving their rights, duties, or liabilities under the Davis-Stirling Common Interest Development Act, under the Nonprofit Mutual Benefit Corporation law (Part 3 (commencing with Section 7110) of Division 2 of Title 1 of the Corporations Code), or under the governing documents of the Association.

(1) The procedure may be invoked by either party to the dispute. A request invoking the procedure shall be in writing.

(2) The procedure shall provide for prompt deadlines. The procedure shall state the maximum time for the association to act on a request invoking the procedure.

(3) If the procedure is invoked by a member, the association shall participate in the procedure.

(4) If the procedure is invoked by the association, the member may elect not to participate in the procedure. If the member participates but the dispute is resolved other than by agreement of the member, the member shall have a right of appeal to the board.

(5) A written resolution, signed by both parties, of a dispute pursuant to the procedure that is not in conflict with the law or the governing documents binds the association and is judicially enforceable. A written agreement, signed by both parties, reached pursuant to the procedure that is not in conflict with the law or the governing documents binds the parties and is judicially enforceable.

(6) The procedure shall provide a means by which the member and the association may explain their positions. The member and association may be assisted by an attorney or another person in explaining their positions at their own cost.

(7) A member of the association shall not be charged a fee to participate in the process.

Disputes may also be subject to Chapter 10, Article 3 (Alternative Dispute Resolution Prerequisite to Civil Action) of the California Civil Code. The provision of Chapter 10, Article 3 are set forth below. **Failure of a member of the association to comply with the alternative dispute resolution requirements of Section 5930 (ADR Prerequisite to Enforcement Action) of the Civil Code may result in the loss of the member's right to sue the association or another member of the association regarding enforcement of the governing documents or the applicable law.**

(2) One of the other parties to the dispute did not accept the terms offered for alternative dispute resolution.

(3) Preliminary or temporary injunctive relief is necessary.

Exhibit 8

(b) Failure to file a certificate pursuant to subdivision (a) is grounds for a demurrer or a motion to strike unless the court finds that dismissal of the action for failure to comply with this article would result in substantial prejudice to one of the parties.

§ 5955.

(a) After an enforcement action is commenced, on written stipulation of the parties, the matter may be referred to alternative dispute resolution. The referred action is stayed. During the stay, the action is not subject to the rules implementing subdivision (c) of Section 68603 of the Government Code.
